

Born Learning Trail Kit Guide Book

The User Guide provides strategies to maximize the Born Learning Trail with media, volunteers and sponsors. Its easy-to-read format offers many different suggestions for getting the most out of the Born Learning Trail.

Circle Stencil

A key part of the Born Learning Trails is the interactive element that ties the sign messages to the trail surroundings. Some of these messages involve shapes, letters, and activities. This reusable circle stencil allows for quick and accurate markings to be painted.

Stencils measure 3 feet by 3 feet.

Made of durable Tyvek material that is washable and reusable.

Made in USA.

English Welcome Metal Sign #1

All Trail signs are available individually. You will find this helpful should you want to enhance a particular message with multiple postings, need to replace damaged signs or simply want to mix & match to your local needs. All signs showcase playful, engaging activities based on early learning outcomes. Some signs are designed to stand alone, while others require additional enhancements (such as stencils to be painted on the path or surface area).

12" wide by 24" high

Pick & choose the number of signs that you need. Signs are made of .080" thick aluminum. All signs have rounded corners. Sign life of approximately 5 years. Made in USA.

Each Born Learning Trail sign can be localized with your organization name/logo at no extra cost. This product is

produced after ordering and is available two to four weeks after order date. Signs needed in less than two weeks can be rushed for an additional charge.

English Watch Metal Sign #2

All Trail signs are available individually. You will find this helpful should you want to enhance a particular message with multiple postings, need to replace damaged signs or simply want to mix & match to your local needs.
